Lunch and award program will follow golf

FORMAT

4 Man Scramble – a traditional scramble played with your team. Each player drives from the opening tee and a ball position is selected from which to play the team's next shot. All players will play the next shot from within one club-length, as long as it is not closer to the hole or changes conditions. This process continues until each hole is completed. A minimum of one drive must be used by each player. Par 3's do not count towards a drive. Your team handicap is determined by adding 20% of the "A" player's handicap, 15% of the "B" player's, 10% of the "C" player's and 5% of the "D" player's.

Teeing Ground – All play will be from the stone markers. Players over the age of 70 may elect to play the senior tee. Ladies will play the most forward tee.
